

We're Here For You!

We've always been here with the services and resources you need, but this year more than ever, we became more than just a library. While our doors were closed for a bit, we never shut down. We pivoted and found ways to serve you like never before. While first responders were dealing with the daunting task of saving lives, and grocery and essential workers kept us going with supplies, fuel, electricity, and critical services; we found our place in the pandemic. We were your home office, with so many of you relying on us for printing, copying, computer, and internet use. We provided curbside pickup so you could have books, DVDs, and CDs to help pass the time. Our beautiful outdoor grounds became the place for conference calls and socially distant meetings. We offered remote resources to help you teach your children at home and Zoom programs to keep everyone engaged and connected. Together, we got through it all; and like we have for decades, will continue to be here for you, no matter what life brings.

HERE ARE A FEW OF THE SERVICES AND RESOURCES WE OFFER:

THE
GREAT
GIVE
BACK

**Join the fun at our Great Give Back
Fall Fest, Open House & Food Drive Event**

Saturday, October 23, 10:30 to 1:00

Food Truck, Live Music, Spooky Pumpkin Patch, Halloween Hunt & more!

Join us for our fantastic Halloween Fall Fest & Open House event. It's a great day to celebrate our community as we enjoy the smooth sounds of Mark VanDetta Acoustics, great food from Wandering Dave's Food Truck, a costume Halloween Hunt for the little ones, free pumpkins from our spooky pumpkin patch, and a chance to meet some of our community partners, all while working together to help our neighbors facing food scarcity.

**We are asking for a suggested donation of
non-perishable food items or toiletries for our local food pantry.**

The Halloween Hunt is scheduled for 10:30 am for children age 7 and under, with a second hunt at 11:30 am for children 8 and older. Please register for the Halloween Hunt on our calendar.

The Great Give Back event is a statewide library initiative that brings people together to strengthen our community so that we can help meet the needs and challenges our neighbors are facing. Together we can make anything happen.

Pumpkins while supplies last
